-

◊ Q5. **"Public gussa kare, dharna ho jaaye, aap kya karenge?"**

 Board check:

 Temperament  Crowd handling ✓

◊ Q6. "**Aap apni sabse badi weakness kya maante hain?**"

 Galat:

"Main perfectionist hoon" (cliché)

Best Answer:

"Kabhi-kabhi main kisi decision ke long-term impact par zyada soch leta hoon. Lekin preparation ke dauran maine ye seekha hai ki administration me delay bhi ek galat decision hota hai."

 Board thought:

"Self-aware hai, lekin weak nahi."

◊ Q7. "**Corruption ko kaise control karenge?**"

Best Hinglish Answer:

“Sir, main pehle ye ensure karunga ki decision kanoon ke andar ho. Agar short-term me public ko dikkat ho rahi hai, to main unko reason clearly explain karunga aur relief measures dunga. Lekin sirf opposition ke dar se long-term sahi decision ko postpone nahi karunga.”

Best Hinglish Answer:

“Sir, main pehle order ka legal aspect check karunga. Agar mujhe lagta hai ki wo rule ke khilaaf hai, to main apni baat respectfully likhit roop me rakhunga. Final decision senior ka hogा, lekin main apna dissent record par launga.”

⌚ Board soch:

“Rebel nahi, rule-based officer ✓”

◊ Q13. “**Agar media aapke department par galat aarop lagaye?**”

 Galat:

“Rules tod ke madad karunga”

Best Hinglish Answer:

“Sir, main rule break karke madad nahi karunga, kyunki usse system kamzor hota hai. Lekin main ye dekhoonga ki rule ke andar koi alternative solution ya welfare provision available hai ya nahi.”

 Board lens:

“Compassion without corruption ✓”

◊ Q15. “**Agar aapki team ka koi member corruption me pakda jaaye?**”

Best Hinglish Answer:

“Sir, main personal relationship ko side me rakhkar kanooni process follow karunga. Agar aarop sahi hai to action hogा, aur agar galat hai to uska record bhi clear kiya jaayega.”

 Board:

- Impartiality ✓
- Team pressure handle ✓

◊ Q16. “**Agar public violent ho jaaye?”**

 Galat:

“Strict action”

Best Hinglish Answer:

 Board:

“Calm under fire ✓”

◊ Q17. “**Ethics aur efficiency me conflict ho to kya choose karenge?**

II ROUND 2 COMPLETE

⌚ Is round me Board ne check kiya:

- Ethics under pressure
- Compassion + rule balance
- Media, senior, public — sab handle kar pa rahe ho ya nahi

Tum yahan **pass ho** 🕊

⌚ **THEEK HAI. AB JO REAL INTERVIEW ME HOTA HAI, WAHI HOGA.** 🕊 (*No choice, no comfort — exactly jaise Board karta hai*)

⌚ **Real interview ka flow hota hai:** ① Pehle **Post-specific grilling** ② Phir achanak **Rapid fire + trap questions** ③ End me **silent judgement**

Ab tum **candidate** ho. Main **Board** hoon. Pressure dhere-dhere badhega.

🎙 ROUND 3: POST-SPECIFIC GRILLING (REAL BOARD STYLE)

(Board dekhega: kya tumne posts samjhe hain ya sirf yaad kiya hai)

◊ Q21. “**Aapne 6 posts padhe hain. Bataiye, in sab me common kya hai?**”

Best Hinglish Answer:

“Sir, in sab posts me power alag-alag hai, lekin common cheez hai **process integrity**. Chahe SDO ho, DySP ho ya Sub-Registrar — har jagah officer ka kaam system ko rule ke saath chalana hai, apni marzi se nahi.”

 **Board note:** ⚡ Big picture soch ✓ ⚡ Power obsession nahi ✓

◊ Q22. “**DySP aur SDO me kaunsa zyada powerful hai?**” (TRAP)

Galat:

“DySP zyada powerful hai”

Best Answer:

“Sir, power post se nahi, law se aati hai. DySP law enforce karta hai aur SDO law ko administer karta hai. Dono alag-alag tarah se powerful hain, comparison sahi nahi hogा.”

 **Board:**

“Ego free candidate ✓”

◊ Q23. “**Agar aap Jail Superintendent ho aur kisi powerful undertrial ke liye sifaarish aaye?**”

Best Answer:

“Sir, jail me kisi ka status nahi hota, sirf legal category hoti hai. Agar kanoon allow karta hai to suvidha milegi, warna sifaarish irrelevant ho jaati hai.”

 **Board:** ⚡ Spine + sensitivity ✓

◊ Q24. “**State Tax Officer ke roop me revenue target poora na ho to?**”

Galat:

"Zyada raid karenge"

Best Answer:

"Sir, main pehle ye dekhunga ki compliance gap kahaan hai. Target pressure me short-cut lene se long-term revenue aur trust dono khatam hote hain."

 Board:

"System thinker ✓"

◊ Q25. "**Sub-Registrar ke post me corruption zyada hota hai, aap kaise bachaoge?**"

Galat:

"Strict rahunga"

Best Answer:

"Sir, corruption personality se nahi, discretion se aata hai. Digitization, standard process aur zero cash handling se corruption ke chances automatically kam ho jaate hain."

 Board:  Practical anti-corruption ✓

⚡ ROUND 4: RAPID FIRE + TRAP QUESTIONS

(Yahan se Board bolna kam, dekhna zyada karta hai)

◊ Q26. "**Power chahiye ya respect?**"

"Respect power se nahi, fairness se aata hai."

◊ Q27. "**Rule follow karoge ya public ko khush rakhoge?**"

"Rule follow karunga, aur public ko rule samjhaunga."

◊ Q28. “**Agar aapka decision galat prove ho jaaye?**”

“Correction aur accountability accept karunga.”

◊ Q29. “**Officer neutral kaise rehta hai?**”

“Facts aur record ke saath, emotion ke bina.”

◊ Q30. “**Sabse khatarnaak cheez administration me kya hai?**”

“Good intention ke naam par rule todna.”

 **Board internally nod karta hai ✓**

◊ Q31. “**Aap apne junior ko kya sikhaoge?**”

“Rule shortcut nahi hota.”

◊ Q32. “**Aapko kaise yaad rakha jaaye?**” (*FINAL TRAP*)

 Galat:

“Strict officer ke roop me”

Best Answer:

“Sir, agar mujhe system-driven aur fair officer ke roop me yaad rakha jaaye, wahi mere liye kaafi hoga.”

 **Board:**

“Safe hands.”

INTERVIEW END (SILENT MOMENT)

Board thoda chup hota hai. Ek member file band karta hai. Chairman bolta hai:

“Thank you. You may go.”

 **Ye good sign hai.**

🧠 FINAL BOARD VERDICT (JO REALITY ME HOTA HAI)

Board aapas me ye bolta hai (tumhe nahi batata):

- ✓ Over-smart nahi ✓ Emotional nahi ✓ Rule-oriented ✓ Predictable under pressure
- ✓ Safe administrator

👉 Ye candidate reject nahi hota.
